

Netball Club Spring 2020

We are very pleased to tell you that after Christmas we will be continuing with netball club. Taught by a qualified professional Netball coach, the club will cost £3.00 a session, running for 11 weeks, payable in one payment of £33.00. Due to our coach's availability, it will now move to a Monday afternoon from 3:00 – 4:30, commencing on 13th January 2020. The final session will be on the 30th of March.

The club is open to all boys and girls in Year 5 and 6. However, there are only 20 places available and we expect the club to be oversubscribed. Consequently, places are allocated on a first come, first served basis.

We are offering this opportunity on a paperless system (there will be no letters). You must log in to Parent Pay to complete the consent form and make your payment. Parent Pay will automatically close when all 20 places have been purchased.

Thank you

Mr Williams
